LUCY

(laughing)

Look who is not invited to the ball. It is Cinder-Ellaaaaaaa!

LUCY

(pouts)

What happened, Cinderella? Are you sad? Why?

SUZIE

That is because, Cinder-Ella does not have money to buy a fancy dress to wear for the ball!

LUCY

(giggles with Suzie)

Is that so?! If you worked hard, then we would give you money to buy some good ribbons to stitch for your dress!

MRS. WOLFE

Girls? Come to the door soon. We are getting late for the ball!

SUZIE

What about Cinderella? Are we not going to take her too? She could be of help around the castle!

MRS. WOLFE

Oh, dear! We do not want our evening to be ruined now, do we, Suzie?

MRS. WOLFE

And, Cinderella? I want the house to be perfect, when we are home, do you understand?!

ELLA

Yes... Mother...

INT. ELLA'S HOME - CONTINUOUS ACTION

ELLA

Sorry that you had to wait so long!

GRACIE

(almost dropping her wand)

Thank you for letting me out soon! Five minutes more and the odour would have killed me!

ELLA

Odour? Which Odour?

GRACIE

The one in the closet!

ELLA

I just cleaned it today morning!

GRACIE

Your skills are getting rusty, Ella.

ELLA

Ha! Ha! Ha! Very funny. You love poking fun at my daily predicament, do you not?

GRACIE

(stops laughing and waves her wand)

Anyway, your gown and shoes for the ball is ready. And, Ta-da!

GRACIE

Yes, it does! And all it needs...

ELLA

...is a kiss of moonlight. Yes, I remember.

GRACIE

Good girl. And, leave...

ELLA

...before the clock strikes midnight. Noted!

GRACIE

Perfect!

ELLA

And, do you know what you are supposed to do?

GRACIE

Yes. Meet me at the rendezvous that we have decided upon, after your dance at the ball.

ELLA

Yes, I will...

GRACIE

Is everything alright?

ELLA

(takes a deep breath)

Today, is the day it all ends!

GRACIE

Yes, now go and finish what you started!

ELLA

ELLA

(talking loudly to herself)

I hope Gracie has done her job.

EXT. THE ABANDONED CASTLE

Ella walks behind the castle which is the shortcut to the North Tower. Just by the door of the tower, she meets Gracie.

GRACIE

Is it done?

ELLA

Yes, what about you?

GRACIE

It was tricky, but it was done. I managed to cast a spell on Prince Charming's younger brother, Prince Casper, so he believes that he has to rescue a princess who has been asleep for over a hundred years in this castle.

ELLA

Perfect! One down, one more to go. Now, all I need is one more kiss!

GRACIE

Ella, be safe!

INT. NORTH TOWER OF THE ABANDONED CASTLE

Ella climbs up the tower through the creepers and enters the room through the broken window. She tiptoes and covers herself with more creepers to show that she has been asleep for many years. She hears the galloping of a horse and closes her eyes. A sound of a door opening and climbing up the footsteps is heard.

PRINCE CASPER

(opens the door and walks towards Ella)

Oh, my fair lady, I have come to rescue you. You look so beautiful and I have fallen in love with your beauty.

INT. NORTH TOWER OF THE ABANDONED CASTLE - CONTINUOUS ACTION

She slowly transforms into a beast and kills him too. He screams in horror as she feasts on his heart. She can hear a cacophony of running hooves becoming louder. She smiles and climbs down to the front door of the castle as the army arrives with King James of the Royal City leading them.

ELLA

Today is your last day. Today you will pay for your sins. Today, you will face your death at my hands.

KING JAMES

This is a very big mistake that you have made. You have killed my  
sons and will face the consequences!

ELLA

Not before you face yours!

KING JAMES

(gently)

Why are you doing this?

ELLA

(tearing up)

You know why!
